

# EAP1

Area/Site Multi-Purpose Luminaire

Evolve®

# mounting versatility

**EAP1150WLSCSKSF**

Rotatable upward and downward  
90-degrees at 5-degree

Evolve's EAP1 Site luminaire  
slipfitter mounting option designed for  
2 - 3/8" pole or tenons.

Evolve's **EAP1** Site luminaire is available in two mounting options (Arm and Slipfitter) features a dense optical array with interchangeable optics which provides reduced pixilation and increased visual comfort without compromising performance. Switchable wattage and CCT allows you to customize your lighting design to meet application requirements in the field.

**EAP1150WLSCSARM**

Rotatable upward to 30-degrees at  
5-degree increments

# construction

Type 5  
Embossed distribution type

Type 4  
Embossed distribution type

Simply un-hinge  
latches and  
position lenses

# performance

Interchangeable Type 3, Type 4 or Type 5 distributions lenses for easy on-site distribution changes. All three optics are included with every unit.

Type III  
Type IV  
Type V

The **EAP1** is available with three distinct distribution patterns to illuminate a variety of applications. Featuring advanced optics which maximizes target zone illumination with minimal losses at the house-side, reducing light trespass issues. This outstanding optic control simplifies layouts and installations, reduces pole count, energy consumption; lowers installation costs and improves visual acuity.
