

- Constant Voltage, Single 12V, & 24V DC Outputs
- Class 2 Output for US/Canada in drivers up to 100W
- Isolated, Non-Class 2 outputs for 100W - 200W drivers

- Refer to base specification sheets for detailed information
- 120-277V universal input
- Min starting temp -30°C

11/2016
