

AAL Towne Commons® Pendant Kit Installation Instructions

WARNING: Fixtures must be grounded in accordance with local codes or the National Electrical Code. Failure to do so may result in serious personal injury.

MAINTENANCE: For optimum performance, a regularly scheduled maintenance program should be established to retain optimum light output and reduce heat retention.

INSTALLATION INSTRUCTIONS:

1. Turn off power.
2. Twist off canopy from aligner bracket and allow to slide down chain assembly.
3. Make wire connections to power.
Source: black to load, white to neutral and green to ground.
4. Secure aligner bracket to j-box (means of mounting by others).
5. Secure safety cable to super structure (means of mounting by others).
6. Align canopy over aligner bracket and twist lock in place.
7. Restore power.
8. Installation is complete.
