

LITEISTRY™

ENERGY STAR® is a voluntary U.S. EPA program that helps businesses and individuals save money and protect our climate through superior energy efficiency. To earn the ENERGY STAR, lighting products must pass strict energy efficiency and quality testing, and the results must be certified by an EPA-recognized third-party certification organization.

LTC-6RD

LITEISTRY 6" ROUND CYLINDER

The information provided below is intended for quick reference only. Visit www.energystar.gov/productfinder/product/certified-light-fixtures for certified configurations and refer to the specification sheet for complete Ordering Guide information.
