

# CEL Universal

Universal Exit Signs

Overview

## 1 Universal Design

- More configurations included in one box
- Significant reduction in SKUs needed

## 2 Flexible Installation

- Easily adapts to configuration changes on the job-site
- Surface canopy always included
- Pre-installed, removable chevrons

## 3 Reliable Performance

- Ultra bright LEDs exceed UL luminance and uniformity requirements
- Long-life nickel cadmium provides years of trouble-free service

## 4 Upscale Aesthetics

- Premium finish mirrored panels are standard
- No adhesive mirror reflectors to add in installation
- Protective film to avoid fingerprints

## 5 Economical Value

- Edge-lit performance and aesthetics on a budget
- Less SKUs on the shelf lowers bottom line costs
