

AIRA

Open Center Linear Pendant

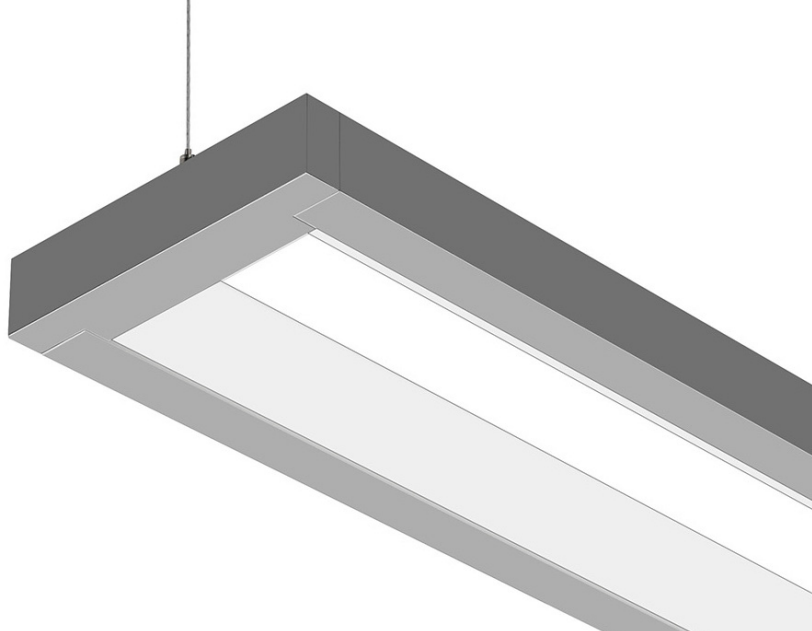

Overview

- ① Refined aesthetic with the ability to see through the center of the luminaire provides scale without weight overhead
- ② Semi-Direct (25/75) distribution with extra wide direct and low peak indirect for wide fixture spacing and lighting power density maximization
- ③ Integral driver, battery and control options for ease of contractor installation
- ④ Complimentary luminous, open center system connectors (L, T, X) allow the creation of patterns
- ⑤ Housing and cross bar inserts are finished to specification to complement the palette of your space

Scale Without Weight

Aira is an open center linear pendant with on board technology and exceptional photometric performance.

Finish: White, Gray, Black (standard)

Crossbar Insert Finish: White, Gray, Black, Graphite, Pink Panache, Grasshopper, Copper, Custom

Color Temp: 3000K, 3500K, 4000K & 5000K

CRI: 90CRI

Lumen Output: 150–1,500 Lm/Ft

Efficacy: Up to 121 LPW

Distribution: Semi-Direct (25/75)

Sensors: NX Wireless enabled with Accessory Kit

Voltage: Universal 120–277V, 347V

Ratings: DLC V5.1 listed, BABA compliant configurations available
