

### Suggested Luminaire Applications

EACL

EALS

#### SPECIFICATION FEATURES

- Square Straight Steel Shaft
- Dark Bronze Powdercoat finish is Standard
- Shaft Lengths from 10 to 39 feet
- Pole comes drilled as specified for single or multiple Luminaires
- Top Tenon is an available option
- Shipped with Pole: Handhole and Cover, Electrical Grounding Kit and Pole is spirally wrapped with rip cord removal system
- Anchor bolts can be shipped either with pole or separately (if separate, please make the request at time of order)

### Ordering Number Logic (See Pole Selection Table for actual Ordering Numbers)

A S S S

| Product Type | Pole Cross Section | Shaft Shape  | Pole Material | Nominal Mounting Height (ft) | Mounting   | Shaft Dimensions |         | Finish  |
|--------------|--------------------|--------------|---------------|------------------------------|--|------------------|---------|---|
|              |                    |              |               |                              |  | Width (in X in)  | Gauge   |   |
| A = Area     | S = Square         | S = Straight | S = Steel     | 10 = 10                      | DB = Drill holes for mounting two luminaires at 90°  | 4 = 4 x 4        | 7 = 7   | DB = Dark Bronze (Standard)   |
|              |                    |              |               | 12 = 12                      | DO = Drill holes for mounting two luminaires at 180°   | 5 = 5 x 5        | 11 = 11 | BL = Black  |
|              |                    |              |               | 14 = 14                      | DQ = Drill holes for four Luminaires   | 6 = 6 x 6        |         |   |
|              |                    |              |               | 16 = 16                      | SD = Drill Holes for single luminaire  |                  |         |   |
|              |                    |              |               | 18 = 18                      | TB = Drill holes for three Luminaires at 90°   |                  |         |   |
|              |                    |              |               | 20 = 20                      | TD = Drill holes for three Luminaires at 120°  |                  |         |   |
|              |                    |              |               | 24 = 24                      | TT = 2-3/8 in. OD top tenon  |                  |         |   |
|              |                    |              |               | 30 = 30                      |  |                  |         |   |
|              |                    |              |               | 35 = 35                      |  |                  |         |   |
|              |                    |              |               | 39 = 39                      |  |                  |         |   |
|              |                    |              |               |                              | <b>NOTE:</b> Substitute required mounting designation for ** in ordering number listed in Selection Table. |                  |         | <b>NOTE:</b> If other than Dark Bronze finish is required, substitute designation for DB in Ordering Number |

NOTE: All poles with anchor bolts need to be entered as 2 line items:

1. The line item for the Pole ONLY, will be the corresponding pole SKU + "-LAB" (Less Anchor Bolts). Example: ASSS10XX411DB-LAB
2. The line item for the Anchor Bolts and Anchor Bolt Template ONLY, will be the corresponding pole SKU + "-BOLT." Example: ASSS10XX411DB-BOLT

### Pole Selection Table

| Ordering Number | Nominal Mounting Height (ft) | Shaft Size (In x in) | Wall Gauge | Total Luminaire Weight (lbs) | Effective Projected Area (sq ft) |        |         | Approximate Ship Weight (lbs) |
|-----------------|------------------------------|----------------------|------------|------------------------------|----------------------------------|--------|---------|-------------------------------|
|                 |                              |                      |            |                              | 80 MPH                           | 90 MPH | 100 MPH |                               |
| ASSS10**411DB   | 10                           | 4 x 4                | 11         | 320                          | 30.6                             | 23.8   | 18.9    | 111                           |
