

tradeSELECT®

- Truly universal edge-lit exit sign for design and installation simplicity
- AC only or Emergency Models
- Superior panel illumination with switchable red or green letters
- Removable factory installed directional chevrons
- Field configurable single or double face
- Mirror divider included in all models
- Universal mount models for recessed or surface applications
- Surface mount models for surface applications
- Includes long-life nickel-cadmium battery for UL recognized 90 minute emergency lighting

APPLICATION

- The CEL Universal is a truly all-inclusive edge-lit exit sign that provides all necessary hardware for any installation
- It is designed for stairwells, hallways, offices and other commercial or architectural applications
- Universal mount model comes with a full recessed box complete with integrated caddy-bar assembly and a surface mount canopy
- Surface mount model provided with canopy for wall, ceiling & end mounting

CONSTRUCTION

- The acrylic panels are ultrasonically welded and taped at the edges to maximize illumination and visibility
- Clam-shell housing design for easy installation and access to internal circuitry
- The housing finish and trim-plate is satin aluminum

INSTALLATION

- Includes additional EXIT panel for single or double face configurations
- EXIT legend illumination is field switchable red or green
- EXIT panel can be ratcheted to various angles for mounting to angled surfaces
- All mounting hardware included

ELECTRICAL

- Available in AC only or emergency operation which includes a nickel-cadmium (Ni-Cd) battery, status LED and Push-to-test switch
- Bi-color LED emergency exit
- Accepts 120/277VAC input at 60Hz
