

DECAUX MAX Series

Round Frame Kit

The non-IC rated frame kits are designed to enable 4", 6" and 8" Lumination® retrofit downlight fixtures to be used in new construction applications. The square frame has an adjustable aperture for easy installation. Suitable for grid or drywall ceilings. Hanger bars accessories are available separately.

MOUNTING

- Universal mounting brackets with over 3" of vertical adjustment accommodate several types of hanger bars
- Adjustable butterfly brackets are provided for mounting to T-bar grid. Bar hangers (BH3) are sold as a separate accessory
- Mount in T-bar grid or drywall ceilings, up to 1.5" thick

DESIGN LIFE & WARRANTY

- UL and cUL Listed.
- Suitable for damp locations.
- Current's Limited 5-year Warranty: Please see website.
