

# COLOR PACK BUTTON KIT

NXSW2 - ORDER FORM

## FEATURES

- Available for NXSW2 Switches
- Available in White, Gray, Ivory, Light Almond, Black and Red
- Easy to install
- All NXSW2 Family Wall Stations are manufactured and stocked in white only. Color Packs are the method by which color changes are made to the product in the field. All buttons and engravings (if applicable) are included in the Color Pack associated with the Wall Station installed.

Use the QR code to watch the installation video.
