Tetra® LT Stick

CABINET SIGN LIGHTING SYSTEMS

Stick with the brand you can trust

Tetra® LT Stick takes all the advantages of our 24V LED LT channel letter modules, and brings them to cabinet signs in an easily-installed system. The **Tetra® LT Stick** fits directly into existing sockets and requires fewer power supplies than competitors' offerings, thanks to its best-in-class loading, greatly reducing material, installation and energy costs.

Current

Powerful OptiLens™ X

Tetra® LT Stick features OptiLens™ X, our patented technology that allows for an incredible 165° viewing angle. This exclusive technology redirects otherwise wasted light to the sign face, making sure your signs shine.

Best-in-class loading

The 24V Tetra® LT Stick loads to an impressive four 96" double-sided sticks per 100W power supply.

New Design

The new 24V Tetra® LT Stick is featured with two end wires which allows you to connect LT Sticks and create a daisy chain installation; and an extra rigid extrusion that can be installed horizontally without central support.

Total Reliability

To ensure every Tetra® LT Stick installation will operate brilliantly for years, we perform the most extensive, stringent testing in the industry. We test the LED, water and dust ingress protection, sub-system and complete system at our in-house and independent laboratories around the world. Validation of our designs, components, products and processes include high temperature, high humidity and accelerated life testing.

Tetra® LT Stick Features

- Wide 165° beam angle
- Efficacy: 160 lm/W
- 24 Volt DC, Class 2 (UL)
- UL Dry or Damp Rated
- 5-year limited warranty

Recommended Spacing

	Depth from Stick to Face	Max Coverage
Tetra® LT Stick	4" (102 mm)	8" (203 mm)
	5" (127 mm)	12" (305 mm)
	≥ 7" (178 mm)	18" (457 mm))

Accessories

SKU	Description	Package Quantity
93020091	LFL-LED Sockets	6 sets per box (12 total)

Nomenclature

With 114 different product options to choose from, you can easily customize your Tetra ® LT Stick to perfectly fit your application. To make sure you order the right product the first time, please create your own personal product using the below product code tables:

GELT	--	--	---	71
