## RELATED PRODUCTS

- LES Series - Edge Light Exit Sign

## SPECIFICATIONS

### APPLICATION

- Pendant Mounting accessory kit allows the LES Exit sign to be displayed at a lower height. It provides better visibility, safety, and aesthetics
- Mullion kit provides a mounting option for mullion (vertical) or transom (horizontal) structural components typically found in windows or doors
- Mullion kit allows wall, end, or top mounted surface installations

### CONSTRUCTION

- All bracketry is stamped steel
- Pendant rods are all steel construction
- All are available in white or black powder-coat finishes

### INSTALLATION

- Mullion kit mounts exit to mullion or transom structural components with a minimum width of 2"
- Mullion brackets are fastened to exit housing and to structure
- Pendant kit mounts to die-cast canopy provided with LES exit
- Pendant brackets are fastened onto the LES aluminum housing and threaded rod is screwed into the steel brackets
- Mounting hardware required to fasten fixture to structure is supplied by others. Use fasteners approved by local building codes.

### WARRANTY

- 1 year warranty
- See product page for standard warranty information
