# 20W - 150W ConstantColor® CMH® Ceramic Metal Halide UltraMax® eHID System Limited Warranty

Applies to ballasts purchased from Current between August 1, 2020, and the date on which this Limited Warranty document is later superseded.

Current Lighting Solutions, LLC (“Current”), is pleased to provide the following limited warranty covering the Current 20-watt through 150-watt ConstantColor® CMH® Ceramic Metal Halide lamps listed below and Current Ultra Max® eHID electronic ballasts purchased directly from Current from May 26, 2015, until this Limited Warranty document is later superseded. Current warrants that the below-referenced lamps and ballasts, when operated together as a system, comply with Current’s published specifications and are free from defects in materials and workmanship for the respective periods of time set forth below.

## Lamp Remedy:

If a Current lamp mentioned below fails due to defects in materials or workmanship within the time periods indicated below, after date of purchase, then Current will provide a credit to direct purchaser (“Purchaser”) equal to the current price Current charges Purchaser for the lamp. This warranty is based on 5000 annual operating hours and applies only to lamps that are operated on a burning cycle of 11 hours or more per start; operated on Current UltraMax® eHID electronic ballasts that have been properly wired and installed; and operated within the electrical values shown on the ballast label.

CMH® PAR	PAR20, PAR30L, PAR38, PAR64: All Wattages	6 months
CMH® MR16	All wattages	6 months
CMH® GU6.5	All wattages	6 months
CMH® G8.5	20W	6 months
CMH® G8.5	39W, 70W	1 year
CMH® G12	20W, 150W	6 months
CMH® G12	39W, 70W	1 year
CMH®Double-Ended	All wattages	1 year
CMH®Elliptical	70W	1 year
CMH®Elliptical	100W	6 months
CMH®Elliptical	150W	9 months

**Ballast Remedy:**

If a Current UltraMax® eHID electronic ballast fails due to defects in materials or workmanship within either (i) five (5) years after the date of manufacture in applications where the maximum case temperature is <70° C, or (ii) three (3) years after the date of manufacture in applications where the maximum case temperature is between 70° C and 90° C, then Current will, at its option, either (1) provide a credit to Purchaser equal to the current price Current charges Purchaser for the ballast, or (2) provide a free replacement ballast to Purchaser. This warranty applies only to Current UltraMox® eHID electronic ballasts that are operating the Current CMH® lamps referenced above; have been properly wired and installed; and operated within the electrical values shown on the ballast label.

**Terms & Conditions:**

This warranty is VOID in applications where the case temperature is >90° C. The foregoing lamp and ballast warranties apply only to direct purchases from Current and to lamps and ballasts operated in lighting equipment designed and approved for the application and in environmental conditions (temperature, humidity and air movement) within the normal specified operating range of the system, but do not apply to failures caused by acts of God or as a result of any improper storage or installation, abuse, misuse, abnormal use, or use in violation of any applicable recommendations of Current or any standard, code or instructions for use in installations, including, but not limited to, those contained in the National Electrical Code, the Standards for Safety of Underwriters Laboratory, Inc., Standards for the International Electrotechnical Commission, Standards for the American National Standards Institute or, in Canada, the Canadian Standards Association. **Current reserves and has the right to examine failed lamps and/or ballasts to determine the cause of failure and patterns of usage.** The date of purchase and lamp installation date must be verified to validate the elapsed operating hours if a warranty claim is made. If lamp life is not properly validated, the lamp date code will be used to establish elapsed burning time based on estimated usage. Any replacement Product will be comparable in function, but may not be identical to the original. The replacement Product is warranted for the remainder of the original warranty period. Current is not responsible for any labor or other costs associated with removal or reinstallation.
